

RNUC – Golf Society

Kemnay Outing – April 12, 2023.

The Golf Section held its first golf outing at Kemnay on April 12, 2023. The players faced challenging spring conditions with a healthy northerly wind, but the rain stayed away, albeit there were a couple of short hail showers.

The scores were remarkably close, with only 7 points separating the field John Edmonds came out on top with 36 points, followed by Rod Palmer with 35 points, and then Alex Cameron took third place with 34 points.

Our Captain presents the winner with his first prize as Rob Buchan reflects on missed opportunities.

Our next outing is to Balmoral on Thursday, May 11, 2023. This outing is open to RNUC members and their guests. There are still spaces if you have not signed up for this event.
